

# STUDENT SNOW DAY POLICY

Brookwood will use the CCS school closings as a gauge for our closings but will not directly follow the CCS closing. If CCS closes BW will either proceed as childcare only or close completely.

Brookwood will either be closed or open for childcare, we will not go on a delay. If CCS is on a delay at 6:00 a.m., Brookwood will be open. If Brookwood is open on a CCS snow day, childcare will be available for preschool, primary and school age children, as well as infant and toddler. If Brookwood is closed, the whole school is closed, including infant, toddler, preschool, primary and school age programs.

Brookwood will make every attempt to start the snow day notification phone/text robo call no later than 6:00 a.m.; however we cannot guarantee you will be notified by 6:00 a.m. Please watch WKTV or listen to the radio for the BWS closure. We will also post on the Brookwood School website, [www.thebrookwoodschoo.org](http://www.thebrookwoodschoo.org), that the School is open for childcare or closed.

There will be an \$80/day charge for school age children who attend a snow day. You must sign up in advance and will be required to pay for all snow days regardless of attendance. This charge will apply to all children in the Primary and Lower El classes and school age children.

Robo text message:

## Childcare Only

The BWS is open today for childcare only. Childcare is available for preschool, primary and school age children as well as infant and toddler.

## Closed

The BWS is closed today. No childcare is available for infant, toddler, preschool, primary or school age children.
